RV Park Feasibility Study Discussion

RV Park goals, objectives and vision

The following are ideas and considerations the City should ponder prior to the workshop:

- Operation and Maintenance
 1. Will the RV Park be seasonal, or open full time?
 2. Will the City manage the RV Park?
 3. If so, will there be an office building on site, in City Hall, or potentially utilize a camp host?
- Site Plan
 1. What sort of space between RV sites? Grass, gravel, BBQ's, picnic tables, etc.
 2. Underground irrigation for grass areas?
 3. Proposed landscaping features?
 4. Surfaces – Propose evaluating costs of up to two scenarios (paved vs. gravel)
- Amenities
 1. Cable TV, Internet (WiFi)
 2. Pet areas?
 3. Laundry facilities?
 4. Public meeting rooms, gazebos, pavilions?
